2 Madeley News

Madeley Victorian Fete – Sunday 14th August

This summer event is a collaboration between Madeley Town Council and the Anstice Community Trust. ACT has received funding from Telford & Wrekin's 'Pride in Your High Street' fund for a community event which will be in the form of a Victorian Fête. This will be alongside the annual Food & Craft Market. The event will run from 10am-4pm, but Park Avenue will be closed from 7.30am-5.30pm so that we can make full use of the space in Anstice Square.

There will be a children's traditional carousel, Victorian policemen on penny farthings keeping law and order, a Victorian magician, Punch & Judy shows, Maypole dancing from the Victorian urchins of Fusion Theatre School, traditional side shows; coconut shy, hook-a-duck and hoopla, Hog Roast and refreshments plus lots more.

Other forthcoming events: 27 Aug – Joshua Sole & The Kooz (Anstice), 11 Sept – Walk for the Anstice, 18 Sept – Madeley Green Day (Madeley Park).

Look out for more details coming soon.

Anstice News in Brief www.theanstice.co.uk

We are very pleased to announce that we have been awarded a start up grant of £7,600 from the Heritage Lottery Fund. This grant will pay for training for ACT trustees and volunteers and will also fund a business plan.

The other major milestone is that the Town Council is about to sign a Licence to Occupy with the Anstice Community Trust. Once this is in place the Anstice ballroom will be open more frequently for fundraising events and some private hire. To help this to happen, the Town Council has created a new post of 'Project Support Officer' for 2 years. We are pleased to welcome Brenda Smith to the team. Brenda has a background of fundraising and working with volunteers so we are sure she will be a huge asset to the project. Also... renovations to the ballroom floor started on 11th July – thanks to all for your generous donations over the last 12 months. Come and see for yourselves on 14th August.

University of Wolverhampton – student exhibition

University of Wolverhampton students studying Architectural Design Technology and Interior Architecture & Property Development courses in the Faculty of Science and Engineering utilised the Anstice Building for their final year Major Project Design and Exhibition module.

During their site visit, the students evaluated the building and the immediate surrounding area, allowing the students to gain an appreciation of the location and local community amenities.

As part of the initial information and data capture process, the Anstice building was 3D laser scanned, allowing the heritage features to be digitally recorded and the phased building construction to be exposed.

The students worked from the Point Cloud Data created from the registered scans, to create their 3D digital models based on their individual concept designs to redevelop the function of the building and enhance the building's usage back into the local community.

As part of the Major Project Exhibition, the students produced scaled architectural site and working models, presentation poster boards, technical documentation and interactive virtual reality models to support their client viva presentations.

The exhibition has recently been displayed both at the University and at the Wolverhampton Art Gallery and will be on display at the Anstice Building on Sunday 14th August.

Paul Boden BSc (Hons) PGCert FHEA | Technical Resource Manager

Unveiling of commemorative stone for local war hero

Along with the representatives from the armed forces, Mayor Rae Evans will attend a paving stone unveiling ceremony in Madeley Centre on the 26th August 2016 at 11am. This date marks the anniversary of the Battle of Le Cateau where local man Major CAL Yate earned his Victoria Cross.

His citation in the London Gazette in November 1915 read *“Major Charles Lavington Yate ... remained to the end in the trenches at Le Cateau on August 26th and when all the other officers were killed or wounded and ammunition exhausted, led his 19 survivors against the enemy in a charge in which he was severely wounded”*.

Commemorative paving stones have been provided by the Government for Victoria Cross recipients, to honour their bravery and to provide a lasting legacy within the communities of their local heroes. The paving stone for Major Yate has been placed in the new enhanced square in front of the War Memorial.

Following welcomes and reading of the VC citation, the stone will be unveiled.

There will then be prayers led by Reverend Alan Walden. A bugler from the local regiment will then play the last post, followed by a two minute silence and the reveille. A wreath will be laid and the paving stone will be blessed.

Everyone is welcome to attend the event to pause and pay their respects to Major Yate and all other local people who lost their lives in World War One.

The enhancement scheme has been funded by a Pride In Your Community High Street grant, together with local contributions from the Town Council and Madeley Partnership.

Once the tree and hedge planting has been carried out in the Autumn, the enhancement scheme will be complete.

Madeley War Memorial

The recent enhancement scheme on Russell Green has involved re-positioning the war memorial to a central location onto a larger paved square.

However, this is not the first time that the memorial has been moved during its lifetime.

In 1922, the new Madeley War memorial was unveiled by Lord Forrester and dedicated by local clergy. It was located on the junction of Church Street and Park Street, outside the Congregation Chapel (now Maddocks Physiotherapy Clinic). It was reputedly located on the site of a tree that had been planted to commemorate Queen Victoria's Diamond Jubilee.

In September 1968, a proposal was put forward by Dawley Development Corporation to re-site the war memorial onto Russell Green. This was to improve sight lines for cars on Church Street.

The memorial was moved from Church Street in June 1970 and was rededicated by Reverend Jelbart in the September.

It has remained in this location since that time.

4 Local News

Pride In Your High Street – Good2great ...

A good number of Madeley businesses attended the launch meeting of the Pride In Your High Street project with local company Good2Great, who are providing FREE business support and coaching for all Madeley traders, with all costs covered by Telford and Wrekin Council.

Sally Themans from Good2Great visited all the traders in Madeley and was delighted with the turnout;

“All those who attended have booked themselves onto one-to-one ‘health check’ coaching sessions to find out exactly which workshops and courses are best suited to their specific needs. There have also already been some early bookings onto the High Street Excellence programmes, which involve 4 workshops, mystery customer visits and follow up coaching in retailers’ premises.

“That course alone is worth £600 - so for businesses it’s great that these are now being made available to them free of charge. This opportunity is a one off - and I urge business owners to get in touch.”

There is a programme of workshops between August 2016 and April 2017 which include: High Street Excellence, Locally Social, Retail Sustainability, Market Testing, Successful Selling, Business Start Up, Harnessing TripAdvisor and AirBnB, Being Big in Your Community and It’s Just Window Dressing.

Please ring to find out more about these FREE sessions on 01952 951234 or email PIYHS@good-2-great.co.uk, alternatively visit www.good-2-great.co.uk/piyhs.

A Room with a View...

Madeley Cricket Club are delighted to start the cricket season with a major improvement to the Club and ground.

We are very grateful to Madeley Town Council for their generous support and help with funding for a new patio and viewing area. We affectionately and unofficially refer to it as the “Ron Wylde Terrace”. Volunteers from the club spent many hours over 3 weeks digging out, levelling the

ground and laying the slabs and turf.

We have already had many favourable comments about the new patio.

Madeley Cricket Club is a popular and well regarded local club and is an integral part of the town and surrounding area. It has been at Park Street since 1855 and has a rich history. However, we are progressive and looking to improve. We welcome players (men, women, boys and girls) of all abilities and house members who want to enjoy the atmosphere and support the club. We also have a thriving crown green bowls section.

Anyone who would like to join please contact Dave White mrdwhite@icloud.com or 07737 540820.

Ironbridge
BIRTHPLACE OF INDUSTRY

Ironbridge Gorge Museum Trust launches Community Art Competition to Celebrate its 50th anniversary in 2017

The free-to-enter Community Art Competition is open to both amateur and professional artists living in Telford and Shropshire. Submissions can be two or three-dimensional and created in any medium including paint, wood, metal, ceramics, textiles, photography, film, multi-media and more but they must reflect an aspect of the Museums.

There will be three age categories: under 12s, 12-17 years and 18 and over, plus education categories for both primary and secondary schools.

All work must be delivered in person to the Trust's head office in Coalbrookdale between Wednesday 15th and Friday 18th March 2017 from 3pm to 6pm for consideration by the panel of judges.

For more information email:
marketing@ironbridge.org.uk

NOTICE!

DOG FOULING

It has become obvious that certain dog owners are not cleaning up after their pets.

YOU KNOW WHO YOU ARE!

It is an offence in law and will result in a fine if persons are seen not to clean up.

A lot of effort and expense has been put into improving walkways and paths for local people to enjoy.

**Look After Your Patch and
Clean it Up!**

Sutton Hill Needs You!!!

Sutton Hill Partnership is working on a business plan to take over the running of Sutton Hill Community Centre from April next year. The Centre is currently managed by Telford and Wrekin Council. Local people are being given the opportunity to take it over when the Council withdraws next year.

Throughout July Sutton Hill Partnership, together with local social enterprise development company FUSE, talked to people in Sutton Hill to share thoughts and ideas about the future of the Centre. The Partnership is particularly keen to chat to anyone that might be interested in joining a new community enterprise that will be set up to take responsibility for managing the community centre for the benefit of local people in the future. If you would like to get involved or to find out more contact Sam on 07951 006 431, Linda on 07817 678 775 or call in to the Centre and talk to Nadeem or Fiona.

Samantha Hine (on behalf of Sutton Hill Partnership)

Sutton Hill Village Green

You haven't heard from the Sutton Hill Village Green committee for a while. We have been taking a bit of a rest after so much activity last year. We also lost an extremely valued member of the committee as David Wassell has retired after playing a leading role in establishing and developing the village green for many years – not that we leave him in peace, as we still call on him for his much valued advice.

We have been showing some signs of activity. We have reseeded the insect attracting flower bed, added to fencing started by Qhotel staff volunteering time on QHotel land, collected litter etc. We have also been working on a proposed long-term plan for the future development of the green. Initially we are seeking discussion and agreement with landowners and wildlife experts. We want to clearly identify and agree on responsibilities, tasks, opportunities and limitations, sequences of work and ongoing maintenance requirements before issuing the plan for public consideration. The plan should make clear who is doing what, where and when, with prior approval from other interested parties, allowing organisation of regular volunteer activity on the site.

Whilst thanking everybody supporting the improved care of the green, we again ask that it is kept free of litter and dog waste which looks unsightly and poses a health hazard. We are very pleased to see the village green being used and enjoyed, but we do ask for consideration and respect on behalf of fellow users (particularly young children) and the wildlife.

John Dennison, SHVG Secretary

Courses & Activities, start dates and contact details.

Term Time	Skills for Life (TCAT). Weekly friendly session to brush up on Maths & English skills. Tues. To enrol contact 01952 642249 (Bridge Centre).

Music Director Wanted

The Darby Singers is a popular and well established community choir based in South Telford, getting together every Wednesday evening to enjoy practice in preparation for numerous and widely varied planned events.

Founded by the late Bernard Crawforth, our choir music has been enjoyed locally for over 18 years by a vast array of spectators from concerts to themed events, both unaccompanied and as part of a joint arrangement.

Due to the pending retirement of our current Musical Director, Robyn Davies, we are seeking to appoint a suitable person to take leadership of the choir from January 2017.

Those interested are requested to contact our Secretary Julie Hartridge tel: 01952 676075 or alternatively through our website thedarbysingers.co.uk or facebook page.

Men over 50 ... don't get wrecked get checked!

Men in the Telford area are being invited to attend a special event later this year where they will be able to get checked for prostate cancer free of charge.

After discovering the heart-stopping facts about prostate cancer, Ironbridge Lions approached retired Consultant Urological Surgeon, Mr David Baxter-Smith, to help them stage the event which will be free to all men who attend.

Tests will be provided by Mr Baxter-Smith, an authority on prostate cancer who has worked closely with Lions clubs across the country to make screening more widely available, and professional Phlebotomists will be on hand to take blood samples.

Prostate cancer affects around 45,000 men in the UK every year. Of those, almost one third will die from the disease. In Shropshire alone, around 250 men are diagnosed annually with prostate cancer.

Despite these frightening statistics there is no national screening programme for prostate cancer, which is why Ironbridge Lions, together with Ironbridge Rotary Club, are urging all local men in categories 'at risk' from the disease to attend the event and get checked by having a simple blood test.

"It has been proven that early diagnosis of prostate cancer results in better outcomes," says Lion John Marsh, "and that is why every man in an 'at risk' category should come along and get checked. The message is simple – 'you can't afford to be shy if you don't want to die'."

The 'at risk' categories for prostate cancer are:

- All men over 50
- All men over 40 with a history of the disease in their family
- Any man over 45 from an African/West Indian ethnic group

"Having talked to others about similar events staged around the country in recent years," says Mr Marsh, "it is a fact that many men who had no prior symptoms were tested and found to have prostate cancer and as a result were able to receive treatment before it was too late."

Look out for the prostate cancer screening event which will take place later this year. For further information visit www.facebook.com/ironlions or call 0845 8339516.

School Delight at Outstanding Inspection Result

Staff, governors and children at a local primary school were delighted to receive the grading of "Outstanding" following an inspection earlier this year. John Fletcher of Madeley Primary School in Upper Road, Madeley had a SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection in the Spring Term, receiving the report in March. The school, which unusually is linked to both the Anglican and the Methodist churches, was formed in 2011 and the inspection was the school's first SIAMS inspection since its formation.

The inspection focused on all aspects of the school as a church school and the inspector, Mrs Angela Daniel, spoke with children, staff, governors and parents during the course of her work. She found that "Local clergy make a valuable contribution to the Christian distinctiveness of the school" and "The enthusiasm and good humour of the teaching team is infectious and pupils catch the same commitment and joy."

Headteacher, Mr Matthew Gould, said, "I am immensely proud of the work that we, as a whole school, do to address the needs of our children and families. The result of the inspection is just rewards for everyone involved with the school and reinforces our drive to ensure that children are given the best possible opportunities in all areas." This vision is supported by another finding of Mrs Daniel – " 'You are accepted just as you are,' is how one Year 6 pupil expresses what is evident in positive relationships at every level throughout the school."

Pictured are Mr Matthew Gould (Headteacher), Mrs Kayleigh Vincent (RE and Collective Worship Leader) and children from across the school, holding the School Prayer and the "Outstanding" certificate.

What does Ironbridge Gorge as a World Heritage Site mean to you?

The Ironbridge International Institute for Cultural Heritage at the University of Birmingham is carrying out a research project, **Communicating World Heritage: Meanings, Values and Practices amongst Communities of Interests**. I am a doctoral student investigating the perception of local communities with regards to the World Heritage Site at Ironbridge Gorge.

The purpose of this study is to find out how local people understand the site and how this fits into the concept of World Heritage. **You are invited to participate in this project: your opinion may improve how local communities are represented in the World Heritage process.**

Please complete the anonymous online survey which will take approximately 5-10 minutes of your time and which you can find at <https://worldheritageironbridge.wordpress.com/>

If you are willing to spare 30 minutes to discuss what this site means to you please contact me. All the interviews will be anonymous and data collected will be used for educational purposes only. It would be really appreciated.

For more information contact me on 07459 589 006.

E: mxt472@bham.ac.uk or visit the website at <https://worldheritageironbridge.wordpress.com/>

Remember!

Madeley Matters is no longer delivered to your door, but you can pick up a copy at: Abraham Darby Leisure Centre, Aldi (Madeley), Madeley Library, Park Lane Centre, Sutton Hill Community Centre, Tesco (Madeley), Jubilee House and other smaller locations.

The next edition will be available in November for lots of local news and information.

Statement of Intent – “Madeley Matters is an independent voice for all those living in Madeley, Woodside and Cuckoo Oak. It is managed by an editorial board which is elected at the Council AGM. We welcome criticisms or contributions and offer a right of reply to all residents. The inclusion of an article in this publication does not necessarily imply a recommendation of its aims, policies or methods, as all articles in Madeley Matters reflect solely the opinions of the authors writing in a personal capacity, unless otherwise stated”.

Typeset & printed by Madeley Print Shop Ltd.
