Neighbourhood Services & Pride
Programme**

Cabinet Members' Office
Addenbrooke House
Ironmasters Way
Telford
TF3 4NT

Our Ref: Parkway WP3 (2018/19)

Date: 27/07/2018

Improvements in Your Area: Woodside Ward

We will shortly be working in your area as part of our 'Pride in Our Community' investment programme. Between 2017 and 2019 an additional £45 million is being invested in improving the Borough's roads, pavements, street lights and structures. This includes the installation of energy efficient street lights and road signs and a programme of road lining improvements. A list of all highway and transport schemes to be delivered in your area over the next 12 months can be found at the end of this letter.

We will shortly be resurfacing Parkway, Madeley between Lees Farm Roundabout and Woodside Roundabout to improve the condition of the carriageway. The work is due to start on 13th August for three days, **weather permitting**. To complete the work we will need to close the road Monday to Wednesday throughout the week.

The diversion route for the works will be via Mound Way. Access to the BP Petrol Station from Parkway will be closed, however the Petrol Station will still be accessible via Mound Way for the duration of the works.

We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works. If you have any special access requirements while the works are in progress, please let the site operatives know.

Information about roadworks in Telford can be found at www.telford.gov.uk/roadworks. If you need to contact Telford & Wrekin Council about these improvements email highways@telford.gov.uk. Your contact will be logged and a member of the team will respond as soon as possible.

The following schemes are included in the Pride in Our Community programme for Woodside Ward this financial year. We plan to deliver all projects by April 2019 at the latest.

If your property is going to be affected by any of these schemes you will receive detailed information before work starts.

| Woodside | |
|------------------------------------|-------------------------------------|
| Scheme Type | Location |
| Additional Residential Parking | Waverley Willowfield Woodrows |
| Bridges & Structures | Parkway (Underpass - Madeley No. 1) |
| Drainage Improvements | Wellsfield (Near Shop) |
| Road Maintenance: Resurfacing | Parkway |
| Road Marking Refreshment Programme | Various Sites |
| Road Safety Scheme | Castlefields Way |

Dear Residents,

Telford & Wrekin Services Ltd and Tarmac Ltd will shortly be working in Parkway, Madeley on behalf of Telford & Wrekin Council.

We will be resurfacing a large section of the carriageway to improve the condition of the surface. We anticipate the works will commence on 13th August for 3 days, weather permitting. To complete these essential works it will be necessary to close the road 24hrs a day. Access to the BP garage will be maintained at all times throughout the works, via the diversion on Mound Way.

Whilst we will endeavour to minimise disruption we ask that you keep vehicle movements to an absolute minimum and not to park on the road. Please also ensure that children are supervised when near the working areas and all pets are kept away from the works.

We would like to apologise for any inconvenience, with your cooperation we will complete the work as quickly as possible. The Site Manager is Alexandra Edwards. For day-to-day issues, including any special access arrangements please contact her on 01952 567022

I thank you for your co-operation in this matter.

Yours faithfully,

Telford & Wrekin Services Ltd
