

WHAT'S BEEN HAPPENING AT THE ANSTICE?

Lots! It's been a super busy Autumn at the Anstice. Events have included a Race Night in conjunction with Ladbrokes; a Soul Night; a Motown & 60s Night (we had to turn people away as the Anstice was full to capacity); and the Telford & District Light Operatic Players put on a wonderful "Songs from the Shows" event.

Then we had a Strictly Dance Showcase featuring super dance groups from the local area, and the amazing under 14 UK Ballroom & Latin Dance champion Jamie Meah and his partner Paris Morgan (*pictured here*). A huge thank you to all who took part, it was great to see the Anstice's recently refurbished ballroom floor being used by so many talented dancers.

A huge thank you to all the dance groups who took part, and to Dale Abnett who **co-ordinated** the music – the Showcase would not have happened without you all!

And much more is planned at the Anstice, as you'll see from the following list.

Thanks to the wonderful local people coming on board as volunteers, the Anstice is getting lots of TLC. Walls have been painted, room set up for functions, nooks and crannies cleared of cobwebs, and the garden is neat and tidy.

A volunteer get together is being held at the Anstice at 6.30pm on Monday 20 November so that the Trustees can thank the volunteers for all their hard work. If you would like to find out more about being a volunteer, come and join us on 20th. Or if you can't make that date, the Anstice front doors are thrown open every Wednesday from 10am to 12noon for people to come in and find out what's happening at the Anstice and the opportunities to get involved – so pop in for a natter and a cuppa, the kettle is always on! Alternatively, call Brenda on 01952 567286.
