

Anstice News . . .

The Town Council was notified on the 28th February 2018 that the revised bid for The Anstice had been rejected by the Heritage Lottery Fund. The indication was that our project did not qualify for support and the heritage importance and strong community momentum behind the Anstice was highlighted. However, the HLF Committee had to take decisions on more projects than the available budget would allow and our application was therefore rejected due to insufficient funds. The Town Council and ACT have agreed to explore what can be achieved with other sources of funding. Feasibility work is being carried out by Telford & Wrekin Council architects to examine what might be possible and options will then be discussed by members at their meeting in May.

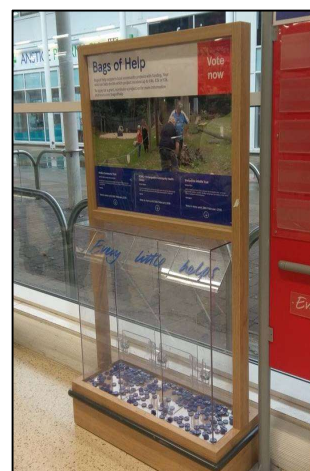

A bid has already been submitted to meet the deadline for the Telford @ 50 Community Building fund which could secure a sizeable amount towards the project.

Look what you did . . .

Following the 'Bags of Help' (blue token charity voting) in the Madeley Tesco store, thanks to all you lovely people we have received the third prize of £1,000! Well done you.

We also wish to say a really **BIG THANK YOU** to Pam Jones who held her 80th birthday party at the Anstice in April and donated all her birthday money towards the buildings future refurbishment. What a star she is!

At the time of going to print we received over 1,900 Shropshire Star tokens in support of the Anstice, so here's hoping we're in with a chance of a share of the £20,000!
