## MADELEY'S HIDDEN GEM...

**Over 250 people attended a lovely day at Madeley Community Orchard Platinum Jubilee Fair on Saturday 11 June.**

The orchard looked stunning, the music from Broseley Buskers and the Abraham Darby Sax band was great and there were lots of fun stalls for families. The den building was particularly popular with children, and the pond dipping and bug hunting attracted all ages. The Ironmen and Severn Gilders Morris group, who danced and sang during lunchtime made an amazing spectacle.

The Coracle Trust's stall appealed to many who could remember stories about the Ironbridge Coracle men, and included a hook a duck competition.

The hog roast served up a whole pig at £2.00 a plentiful serving, and the cider bar and marshmallow toasting had both run out by 1.00pm.

The bee friendly plant stall greeted visitors at the orchard entrance with a colourful display of plants, and the Anstice team ran a tombola to support their cause. You could hone your photography skills in a special booth or buy a raffle ticket for a pink violin (actually won by Alison Claire).

The atmosphere was relaxed and friendly as families made crowns to participate in the unveiling of the sign at the commemorative tree, by Cllr Paul Watling and the Mayor of Madeley.

*Madeley Town Council is also pleased to hear that Madeley Community Orchard Group were runners up in the 'Green Token Giving' programme run by Asda Telford – they managed to scoop £200 - well done!*

*There is always room for more very much needed volunteers to help look after this beautiful place. If you have a little, or a lot, of time on your hands why not get in touch and find out more about helping out. Either visit the orchard on Tuesdays between 10am-1pm and chat with the volunteers or email Linda: [lindacream45@gmail.com](mailto:lindacream45@gmail.com)*

# News...News...News

**As we say farewell to our outgoing Mayor; Cllr Sarah Chadwick** and thank her for all her hard work during the past year, we are pleased to announce that a total of £1,085.20p has been raised for Telford Crisis Support. This was Sarah's chosen charity for 2021/22 and was of particular interest to her.

Cllr Helena Morgan

**We welcome our new Mayor; Cllr Helena Morgan** who was elected at the Town Council's Annual General Meeting on 9 May.

Helena is a champion of 'Plastic Free' and is already planning lots of Mayor's events to raise funds for local initiatives. In particular, she is keen to support a project at the Park Lane Centre to help the community to come together and learn new skills, such as cooking either for one or a family. Having grown up on Woodside and being a Councillor for Woodside she is keen to provide her support there.

Helena will be assisted by our **new Deputy Mayor; Cllr Sue Taylor**. Sue has been a local councillor for many years and is keen to support the Town Council's community involvement.

## MADELEY CELEBRATES THE QUEEN'S PLATINUM JUBILEE...

Madeley Town Council was delighted to organise a special family fun day for the local community to celebrate the Queen's Platinum Jubilee. Councillors would like to thank everyone involved in supporting this event and to all our lovely residents who came out to join in. A brilliant day was had by all with oodles of free entertainment and hands-on activities. Special thanks to Tesco Madeley for providing all the lovely ingredients for the children's Jubilee Cake decorating activity; kindly managed by Telford Job Box, Madeley Churches for providing an activity stall for children to create beautiful royal crowns and games and to the Anstice Team for all their hard work on the day.

# TELFORD CRISIS SUPPORT

The long summer school holiday is approaching - please help us if you can by donating any items of store-cupboard groceries for our families in need this coming school holiday. You can drop off your donations at Jubilee House and we'll ensure that Telford Crisis Support receive them..... **thank you.**

## GREEN FINGERED WINNERS...

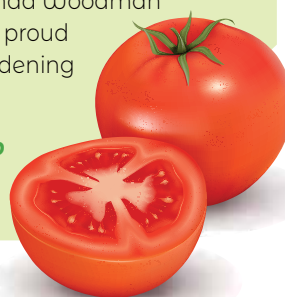

Mayor of Madeley Town Council; Cllr Helena Morgan was delighted to judge the Allotment Garden Competition – the first time this has been done in a very long time. The effort and hard work that had gone into so many of the plots was a real pleasure to see. However, there can only be one winner!

We are pleased to announce that Gary Pound from the Sutton Hill Allotment site and Amanda Woodman from the West View Terrace site are proud winners and each receive a £20 gardening gift voucher.

**WELL DONE both of you and keep up the good work.**

## Madeley Mayor says...

***It has been an honour to be voted as Mayor for Madeley Town Council for 2022/23.***

My first month as Mayor has coincided with the Queen's Platinum Jubilee so I have been out and about to some wonderful events. The Jubilee fun day in Madeley Centre was a particular highlight. I am excited to see what the rest of the year will bring.

As much as I am excited to do the fun things around all three wards, I am also keen to get to know our communities and I hope to be able to listen and offer support where I can in Woodside, Sutton Hill and Madeley.

Please keep an eye out on the Madeley Town Council social media pages for updates on my whereabouts and please feel free to say hi if you see me out and about.

*Helena Morgan*

## TODAYS THE DAY THAT MADELEY HAS IT'S PICNIC...

Madeley Town Council is planning a 'Family Picnic on the Green'. Why not come down to Russell Green (near the war memorial) on Tuesday 9th August for some fun. We're planning for free bouncy castles, hula-hooping, stilt walking and big garden games. Bring a blanket and your picnic and we'll supply the free games, ice creams & bubbles.

**Remember, Tuesday 9th August from 11am-1pm**

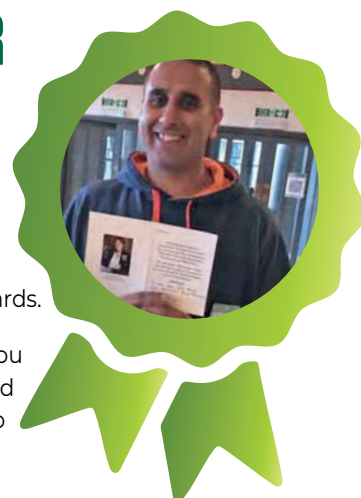

**TUESDAY 9th  
AUGUST  
from 11am-1pm**

## SPECIAL AWARD FOR ONE OF OUR OWN...

Chun Bagry from Madeley Laundry & Dry Cleaning was a well deserved 'Unsung Hero' winner at the Telford & Wrekin Council's Community Pride Awards.

A BIG WELL DONE and thank you to Chun for all the hard work and community support you gave to our community during the pandemic.

Chun also received a formal 'thank you' from the Lord Lieutenant of Shropshire; Mrs Anna Turner, thanking him for his fantastic contribution throughout the pandemic.

# 'Love Madeley' is One!

The 'Love Madeley' initiative was launched last year to promote our area and shine a light on the good things that are going on locally; to celebrate all that we love and cherish about Madeley: the people, the history, the landscape and the local businesses and organisations. Our great sense of community.

The campaign, supported by Madeley Town Council and run by 'High Street Champion' Sally Themans, aims to bring all this together to raise the profile of Madeley, encourage shoppers to buy locally and attract more visitors and investment, complimenting the work of Telford & Wrekin Council's Pride in Our High Street initiatives.

So far the Love Madeley team have worked with local businesses to organise a Pumpkin Trail over October half term and an Easter Bunny Trail – both of which saw significant increases in footfall to Madeley; has brought local businesses together with a Love Madeley Business WhatsApp group and is looking to start a Madeley business networking meeting. A floral competition is underway and there has been a good increase in press and media coverage about Madeley matters!

The Love Madeley Facebook page now has almost 1500 followers and 285 on Instagram. If you love Madeley and would like to see this movement grow – and could offer a little bit of time – we are always looking for people to help with the social media. Please do message the page or email [sally@good-2-great.co.uk](mailto:sally@good-2-great.co.uk)

## BOULTON'S SCOOPS TOP PRIZE

*Boulton's Butchers in Madeley's Anstice Square scooped the top slot in Telford & Wrekin Council's 'Best Dressed Window' competition for the Queen's Platinum Jubilee, winning outright across all the towns and high streets in Telford – and putting Madeley firmly on the map as a high street on the up.*

*Well done Boulton's and well done to all the Madeley businesses and shops who made such a fantastic effort with displays to mark this historic occasion. Particular thanks must go to Julie Ram at Allsorts Wool and Fabric and her team of crafters, knitters and crocheters who made the amazing jubilee bunting which adorned the town centre in a right royal yarn bomb, including a post box topper knitted by Karen Turner – complete with Queen and corgis.*

# First Madeley in Bloom competition launched

**It's not too late to enter Madeley in Bloom** – in our first annual gardening competition. Green fingered residents of the town, as well as in Sutton Hill and Woodside, are being encouraged to enter the contest, organised by Love Madeley.

"The initiative will brighten up and enhance areas and streets and we are looking forward to meeting our talented local gardeners. "This is a wonderful way to celebrate our town and reward all the amazing efforts everyone puts in to make Madeley and its surrounding residential areas even better," said Sally Themans of Love Madeley.

The Mayor of Madeley, Helena Morgan, will be out judging in July and there are two categories:

- hanging baskets
- front garden/planters/window boxes

All of which must be able to be viewed from outside the property - with separate prizes for Sutton Hill, Woodside and Madeley.

Residents do not need to have a large space to enter and the judges will love seeing all the entries, whatever their size. To take part please email your name, address and which category you are entering to [julie@madeleytowncouncil.co.uk](mailto:julie@madeleytowncouncil.co.uk) by 20th July.

## MADELEY MARKET EXPANDING

Madeley market is held every Tuesday and Saturday in the town centre and is expanding with new market stalls starting up over coming weeks. Popular stalls include plant specialist Len Jerram on a Tuesday which people travel from miles around to visit, and Sally Beech Creations, Virdees Meat and Sweet Little Things on a Saturday – soon to be joined by Cooke's Creations.

Sally Beech, who makes beaded hairclips and hairbands, said, **"I love Madeley Market and it is getting busier and increasingly popular."**

The popularity of the market, which is an important way for people to support our local community and economy, looks set to be going in the right direction. If you have a good idea for a market stall, start-up trial grants are available and gives you an opportunity to trade in Madeley Market for 12 months without the financial risk. The grants range from £500-£2,500 via the Pride in our High Street Revive & Thrive fund through Telford and Wrekin Council.

The grant is available to people residing in the Borough of Telford & Wrekin and all new traders will require a Street Trading Consent. Interested? – If so, then in the first instance, please contact [prideinourhighstreet@telford.gov.uk](mailto:prideinourhighstreet@telford.gov.uk).

# ANSTICE NEWS...

Well...

*What a Jubilee Weekend we had!*

*I think the whole of the UK is well and truly partied out. We would just like to say Thank You to everyone that attended all of the events here at the Anstice.*

*I would like to Thank all of the staff and volunteers that gave up their bank holiday weekend to help these wonderful events take place.*

## A big shout out to the following:-

**Thank You to The Telford Orchestra - no words, just wow !**

The Moonlight Serenade who was on the Saturday afternoon with our afternoon tea, again fantastic seeing everyone dance the afternoon away. Great to see the children with their jubilee face paintings dancing the afternoon away to DJ John.

Last but by no means least a massive Thank you to Telford & Wrekin Council for funding the whole weekend.

Madeley Town Council provided funding for the Queens Guards Also, St Michael's Fellowship group had a jubilee afternoon tea, they also had funding from Madeley Town Council.

*Trust your strengths  
and your ability*

We would like to say a massive thank you to Madeley Town Council, Telford and Wrekin Council and The Community Foundation for funding our Jubilee event as well as everyone who came along and joined in on the day. It was a fantastic day, with around 400 people attending and celebrating our Queen's long reign, it was great to hear people sharing their memories of past jubilee's and even her coronation. We have created an archive of all the photographs, information and memorabilia which can be accessed at Park Lane Centre for years to come.

Our stained glass window consultation showed us that people wanted us to include The Wrekin, the Ironbridge, the mineshaft island and the cooling towers. From this brief, 3 designs were created and the overwhelming favourite is being created and will be installed in our reception area very soon.

## More Jubilee Celebrations...

Members at ROC enjoyed a scrumptious buffet, quizzes and entertainment from the brilliantly talented John on the piano; some were even tempted onto the dance floor. One couple said,

*"We've had a wonderful time, it's really given us something to smile about."*

Also, members at Madeley Day Centre enjoyed their buffet, including a beautifully decorated Jubilee cake and decorated crowns (even the men!) and there was a prize for the best dressed

## Haughton School Jubilee News...

***We had a wonderful day celebrating our Queen's Platinum Jubilee!***

## News from Halesfield Day Nursery Centre...

**Children from Halesfield Day Nursery enjoyed celebrating the Queen's Jubilee in various ways last month.** They started off with a celebration at St Andrews Church in Shifnal, where the children performed a variety show for parents and staff. The performance was fit for a queen and the children were understandably very proud of themselves.

The nursery then helped a full-on street party mid-week, which included, music, food and a visit from the queen herself!! This was such a great experience and the children loved the atmosphere and festivities of the day.

To mark the end of the celebrations, the children and staff planted a tree for the Jubilee. A beautiful Red Robin tree was planted in the playground to commemorate the occasion and the Queen's achievement. Helen Child's, nursery manager said "it has been fabulous celebrating the Jubilee in nursery. The children have learnt all about the Queen and our country. They have sent cards and pictures to the Queen, learnt how to sing and sign the National Anthem and made lots and lots of bunting! It's been great getting the children involved and we're sure they will have many memories of celebrating the momentous occasion".

## Woodlands Primary School & Nursery celebrated the Queen's Jubilee in style...

On Friday 27th May 2022! The weather was perfect and staff, parents and children enjoyed ice cream, a prize tombola, balloon making, face paints, Exotic Zoo, a Magic show, the Abraham Darby band, bouncy castles and much more. The Telford and Wrekin Jubilee grant made much of this free for parents, children and the local community. It was lovely to see the whole community coming together to celebrate the Queen's Platinum Jubilee. A great time was had by all!

## William Reynolds School...

Planning for the Jubilee Celebration began in February, when School Councillors met with their classes to decide how they would like to celebrate. Class ideas were then shared with the Senior Leadership Team and the event was planned. School Councillors met with kitchen staff to agree on the menu and this was then shared with classes. We wanted our event to be a celebration of the commitment that the Queen has shown to our country throughout her seventy years of service. It was important for us to ensure the children understood what an important part of history they were celebrating. In classes, children made bunting and decorations, drew portraits of The Queen, wrote thank you cards and postcards to show their appreciation and had great fun celebrating at lunchtime. Early Years and KS1 children had a celebratory picnic and in KS2, the children had a street party style celebration. On the day, children were invited to dress up as a King or Queen, in red, white and blue or in their party clothes. Lasting memories were made during the day: there were lots of smiling faces and we were lucky to have superb weather – it really was an amazing day!

# TELFORD ORCHESTRA

## 150 years of music-making

### TELFORD ORCHESTRA TOPS AGAIN...

*Flags were waving and all were in full voice as Telford Orchestra performed their Platinum Proms celebration on 3rd June, in honour of the Queen's Platinum Jubilee, at The Anstice in Madeley.*

The first half showcased a sophisticated repertoire of movements from Bizet's Carmen Suite, with flawless trumpet, flute and harp solos, the Hungarian Dance no. 5 by Brahms and two of Dvorak's Slavonic dances. The first half concluded with the Radetsky March by Strauss, a familiar favourite which got the feet tapping in readiness for a rousing second half.

The second half presented a mix of national favourites, such as Parry's Jerusalem, Vaughan Williams' English Folk Song Suite, Coates' Dambusters March and our own conductor, Benedict Goodall's, arrangement, of Wood's Fantasia of British Sea Songs. The orchestra was encouraged by the encore of 'Jack's the Lad (hornpipe)', thrilling the audience with a speedy rendition of the crowd pleaser. Solos by the orchestra leader, Dan Boucher, lead cellist, trumpet section, clarinet, horn, oboe, percussion and harp delighted the listeners.

A good evening was had by all, not least the orchestra, who are delighted to be playing live again to wonderful audiences. It was an honour to play at such a beautiful venue and in honour of Her Majesty, the Queen.

The next concert is on Saturday 12th November at The Anstice, 7:30pm, where the programme will be based on the music of stage and screen. Tickets will be available on the door at £10 each, or free for those under 16/full time students. We would love to see you there.

### Are you passionate about Rough Park?

*Do you have spare time on a Tuesday between 1-3pm to work with others to help maintain and develop this diverse green space in our local community?*

*You are very welcome to join us; we meet at the benches at the entrance to Rough Park off Newcomen Way.*

### St Mary's Celebrates...

The Parish of the Good Shepherd, which incorporates St. Mary's Church in Madeley and St. Paul's Church in Dawley, planted a tree in the Parish grounds in Madeley to commemorate the Jubilee, as well as organizing a lunch in The Telford Hotel at Great Hay to celebrate the Jubilee, and we offered a prayer for the Queen at all of our Masses over the Jubilee weekend.

# 'GO GREEN' INITIATIVE

Plastic Free

**Do you have a business operating from retail premises in one of Telford's borough town high streets? If so, you could benefit from one of Telford & Wrekin Council's Pride in Our High Streets grants, designed to help you sustain and grow your business**

## Pride in our High Street 'Eco' Grant

Telford & Wrekin Council's Pride in Our High Street Business Eco Grant has been created to support sustainable projects and encourage high street businesses to adopt a 'greener' approach to the running of their business. Funding amount: The maximum grant available is £1000.

### Examples of potential projects:

- The removal of plastic from your packaging and products
- The purchase of 'green gadgets' to improve the sustainability of the business. An example of a green gadget is the Kikkerland Green Button which puts your computer into hibernation without turning it off, saving energy.

The project must result in a permanent change to the business and you should demonstrate how you will achieve this. For example, if you want to introduce plastic free packaging how will you sustain this after you have used all of your grant?

## How to Apply

- First send an email to [PrideInOurHighstreet@telford.gov.uk](mailto:PrideInOurHighstreet@telford.gov.uk) explaining what you would like to apply for – they may have a chat to you if anything needs clarifying.
- The team will then send you a simple application form.
- Submit an application to the Pride in our High Street team (via email).
- Two quotations will be required at application stage for the items you are seeking funding for, to ensure value for money.
- All applicants will require a business bank account for the grant monies to be paid.
- Once you have completed your project you must supply copies of invoices/receipts to the Pride in Our High Streets team via email in order to evidence the expenditure on all purchases and associated costs.

## STAY Telford celebrating the Queen's Platinum Jubilee

What a great way to combine and celebrate both: offering our tenants some respite from the previous difficult years and saying a big thank you to our volunteers for all their support.

We held our **"Jubilee Street Party"** on **Wednesday 1st June** at 12 noon.

Our Volunteers had planted a beautiful rosebush (Raspberry Royale!) and a small Acer Tree (donated by Meadowdale Nurseries, Horsehay). The tree will be registered on the Q.G.C. website ("The Queen's Green Canopy") tracking everyone who plants a tree to commemorate the Platinum Jubilee, from October 2022 to the end of the Jubilee year. (Read the QGC website to find out how trees benefit our environment)

Before the party started the tenants and volunteers made and decorated their own bespoke Crown. The front window (on High Street) had been decorated in a 'Queen Elizabeth II vintage style' with pictures to include QEII's Coronation and tracking her journey through the years. Other pictures included the whole Royal Family (children/grandchildren/great-grand-children) and memorabilia that included a "Merrythought Beefeater! (On loan from a wonderful lady who also knitted us tri-colour rosettes that we proudly wore over the Jubilee weekend). We also decorated the event-room and courtyard with red, white, and blue decorations and 'union flag' balloons.

## The week of the Jubilee Event, at Stay, also coincided with "National Volunteer Week".

On the event day, we had our own Kay Bennett on hand, to do the children's (and adults) face painting. Many sported a Union Flag; some had flowers and 2 had a leopard face!

There were plenty of refreshments, thanks to our volunteer Kate for making these. I would like to offer a big thank you to Madeley Town Council and Councillors PRIDE Fund for supporting this event.

We were suitably entertained by Eternity Road, Max McKee, harmonies from TADLOP (Telford & District Light Operative Players),

Some comments from the tenants included "what a fantastic start to the Jubilee – when is the next event?" and "thank you for inviting me I have had a wonderful day" one volunteer who tends to our gardens said "it was a great party. The music was brilliant!"

I am always on the lookout for committed volunteers, especially around "life skills" to support tenants with 'cooking on a budget'; 'how to use a washing machine'; 'how to keep the kitchen and living areas clean and tidy'. (D.B.S. will be required).

## NEWS FROM THE LIONS

Ironbridge Lions have been running regular Silver over the Bridge (SOB) events since 1979. On a series of Sundays each Summer we invite passers-by to lay their spare coins on a strip of sticky tape on the Iron Bridge, with the stated, but as yet unrealised, ambition of getting a line of coins from one side of the bridge to the other.

Each of these SOB events is dedicated to a particular local charity with members of the selected charity joining us on the day, enabling them to raise funds for their cause. We are running a full programme in 2022 and invite you to bring your coins along on 10th July, 7th August and the 28th of August.

### Who are Ironbridge Lions?

The Ironbridge & Severn Gorge Lions are men and women from all walks of life who volunteer their time and effort for the benefit of others. We work proactively to improve the quality of life and wellbeing across our community by enabling individuals or groups to respond to problems or achieve ambitions.

**If you would like to have a chat about the part you could play as a member please call Graham Powell on 07887 638207 or email [grahamj.powell@btinternet.com](mailto:grahamj.powell@btinternet.com)**

### LATE NEWS FROM IRONBRIDGE LIONS

After a break of 2 years due to Covid March 14th saw the Lions assisted by Ironbridge Rotary once again run a Prostate Cancer screening event at Haberdashers Abraham Darby Madeley. A total of 558 men were tested between 6pm & 9pm

#### Of those tested:

- **513 tested green** Those who tested green advised that although green they should have a yearly test.
- **20 tested amber** Those who tested amber should possibly have another test in 3 months.
- **24 tested red** Those who tested red were advised to see their Doctor straight away for further investigation.

Clearly the 44 Amber and reds could indicate the early onset of prostate cancer. As early diagnosis is key in fighting this disease it is hoped that all these men will get the treatment that they may require to go on and lead a full and active life.

### LIONS CLUB APPEALS FOR CUDDLY TOYS

Charity fund raisers are appealing for your unwanted cuddly toys. The toys are being sought by Ironbridge and Severn Gorge Lions Club to fill up the toybola stall that members take to many local events.

Over the past few years the Lions' soft toy stall has proved to be a big attraction to young and old alike, helping to raise funds for a wide variety of worthy causes that are supported by the group. Past President John Marsh said "after taking the toybola stall to several successful events our stock of toys are now severely depleted. Furthermore covid has impacted our ability to restock. We need Large medium and small soft toys in good condition.

**Anyone who has any and can help can call John on 07767 341744 and he will arrange collection.**

## Ironbridge Gorge World Heritage Site...

**All good things must come to an end and be replaced with something better!**

A new and improved website for Ironbridge Gorge World Heritage site is coming soon! Our redesign will offer a richer insight into the World Heritage Site, ongoing projects that aim to protect and conserve the Outstanding Universal Value of the historic landscape, and the living, working community. Featuring pages that link with our partner organisations from the Steering Group, links to resources, management, and conservation; community news and events, directories to local businesses, a new blog and much more! We have also ensured that our new website is easy to navigate, mobile-friendly and quick to load.

Until then, follow us on social media to find out more, we are on Facebook, Instagram, TikTok and Twitter!

# TELFORD CRISIS SUPPORT

**Telford Crisis Support was formed in 2013 and received its charitable status in 2015. Over the last year, TCS has provided approximately 120,000 meals for individuals and families in our community.**

From our experience whilst operating the foodbank TCS identified a further specialised need providing increased provision for local families with babies and toddlers; Telford & Wrekin Baby and Toddler Bank was launched in January 2020 and have to date provided support to over 200 families.

The clothing support team at TCS have answered requests for over 800 uniform requirements and 550 winter coat and shoe referrals in the last 12 months.

TCS operate from a hub in Halesfield, where we distribute and deliver across the borough of Telford and Wrekin, providing a truly free to access service for all elements of our support services. We are a founder member and part of the Telford Crisis Network, and our shared mission is:

***"No one in the borough of Telford and Wrekin should need to go without the basic essentials to keep themselves and their families sheltered, fed, clean, clothed, warm and healthy."***

On May 19th, 2022, in recognition of the support TCS has provided to our communities across Telford & Wrekin the charity was awarded the Honorary Freedom of

the Borough, which was presented at the Honorary Aldermen & Freemen, and Mayor Making Ceremony.

Chair of Trustees, Chris Jones accepted the award saying: ***"I am very happy to accept this on behalf of the board of TCS trustees our staff and our volunteers. I would particularly like to thank Shaun Davies and the council for their enduring help and support across the years."***

The Freedom of the Borough is the highest award that the council can bestow, TCS are only the second organisation, and first charity, to be honoured. (\*)

Cllr. Shaun Davies added ***"Your non-judgemental approach is truly inspirational, and I hope that by shining a light on all you do, you will continue to change lives for the better"***

TCS was honoured to accept this prestigious award, which acknowledges the hard work and commitment of its volunteers, staff and trustees, past and present, whose contributions have enabled the charity to make a positive difference to those in need of a helping hand in our community.

# FAMILIES IN TELFORD

## New groups for our project

We are enjoying a busy summer term at Families in Telford, having lots of fun together and enjoying the sunshine and fresh air.

We have been very fortunate to have received some funding from The Trusthouse which has allowed us to start a new group this term - 'Rise and Shine'. This group is specifically designed to bridge the gap between our Tums and Tinies for new parents and babies, and our Drop in and play for anyone under compulsory school age.

This new group focuses on children who are starting to get up and about and encourages them to safely explore their new abilities. Our highly qualified staff are also on hand to support the grown-ups who may have lots of questions at the stage when their little ones are changing so quickly.

Mini assault courses, games and lots of tactile play are on offer as well as plenty of opportunity to discuss any thoughts which may arise over a cup of tea.

## Antenatal Support

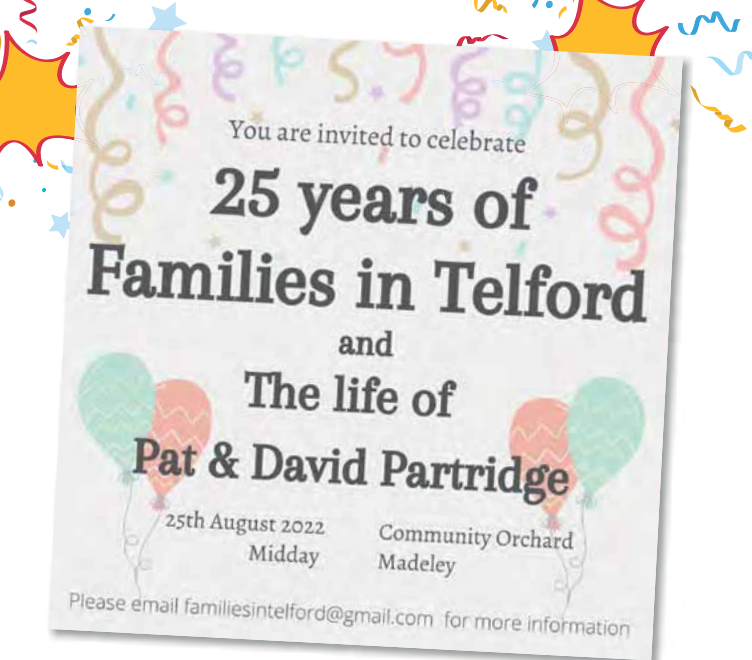

Having a baby is a huge life event and being surrounded by a strong support network can be vital.

If you are looking to grow that support network then don't feel you have to wait until baby arrives – here at Families in Telford we offer antenatal support at our Tums and Tinies sessions on a Tuesday and Thursday. Whether you would like to meet some other parents, receive some practical support or just to start to work through all those questions whizzing through your head; we are here to help!

Our staff are trained to support you with mental health, practical care and breastfeeding and will always do so with a welcoming smile on their face. If you don't feel like you want to talk directly to a staff member then there will also be friendly faces all around with our wonderful families who are always ready to offer some peer support.

## Summer plans

We are in the very fortunate position to be able to offer a summer programme this year for five weeks during the school

holidays. Weekly sessions run by staff will include circus skills, picnics, parties and trips out. Our summer programme is for the whole family so that older siblings don't have to feel like they are missing out on the fun.

Our summer programme will draw to a close with a huge celebration at Madeley Orchard on 25th August when we will be looking back on an amazing 25 years of the project. We would like to invite everyone who has had a link to Families in Telford over those 25 years to join us when we will be unveiling a beautiful piece of project artwork. So whether you have been a member of staff, a volunteer, a supporter or one of our amazing families – please get in touch with us, we can't wait to see you!

We will also be using this time to celebrate the lives of Pat and David Partridge. Families in Telford would never have become what it is without them and the support they gave to the community around them could never be put into words.

We hope you will join us during our time together on the 25th August to raise a glass to Pat and David and share all the wonderful stories we have of them.
